Access Measures

Relaxed Performance

Relaxed performances are open to everyone, but the environment has been specifically adapted for those who are neurodivergent and may experience sensory sensitivities, folks with communication or learning disabilities, and people who would benefit from a more relaxed environment.

The 12pm performance on July 11th will be a relaxed performance.

About 2% Of Condoms

Having nothing but each other (and a mostly empty stage) co-creators and comics Nikki Bon and Claire Cavalheiro, careen through time — from their own accidental conceptions, through the *Juicy Couture* wreckage of Y2K adolescence, to the bewildering navigation of their twenties and eventually into the harrowing torture that is parenthood. A semi-autobiographical, sardonic two-hander about two best friends born from broken condoms and raised without fathers, who become really, really good at not dealing with their baggage. Until they have to. (Maybe.)

Run Time

55 minutes with no intermission
