About DADS

Using audience interaction, stand-up comedy, games and storytelling, DADS makes space for the sometimes complicated, sometimes hilarious, and always impactful relationships we have with the men who made us. With each show different from the next, this playful piece wrestles with whether honour and honesty can truly go hand in hand.

Brought to you by award-winning playwright Taylor Trowbridge and award-winning director Dylan Trowbridge, this show also features a new guest comedian at each performance – including Jacob Balshin, Courtney Gilmour and Martha Chaves!

Run Time

75 minutes with no intermission

Content Warnings and Advisories

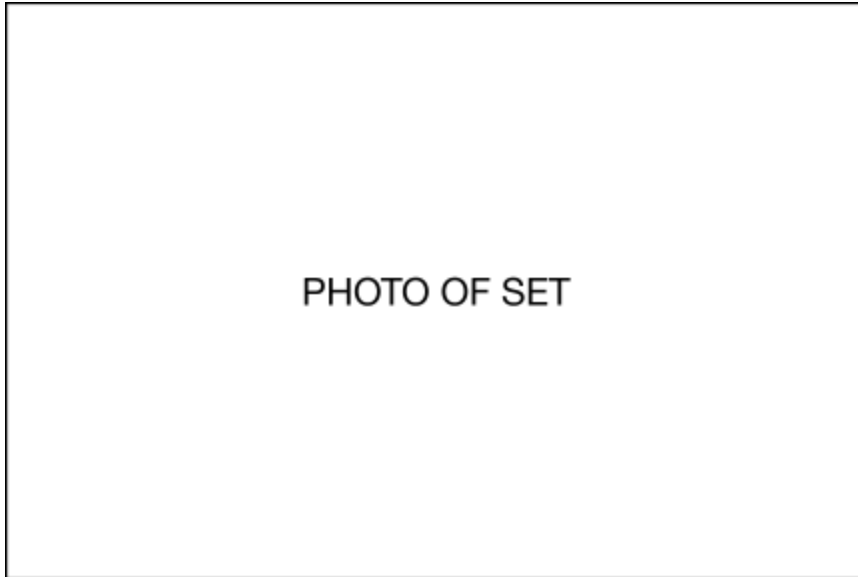

Please be advised that DADS includes light, optional audience interaction and mentions suicide with compassion

Cast and Characters

TAYLOR TROWBRIDGE plays the role of HERSELF (this piece is a true story).

Set

There is very minimal set and much of the design comes from lighting. No harsh lighting expected. Sometimes the lighting will be on the house for the moments of audience participation.

Costumes

Taylor likely will be wearing her regular clothes, as this is a true story and she is playing herself.
