Where Your Echo Lives

Echoes Of You is a 60-minute contemporary dance production premiering at Weyni Mengesha Theatre as part of the Toronto Fringe Festival 2026, running June 29 – July 12, 2026. This work explores the fragments of our past and the layers we build to conceal pain and trauma. As humans, we are often conditioned to suppress our most vulnerable emotions—fear, grief, loneliness, and anger. Yet beneath these carefully constructed defenses lies a deep desire to be understood and to genuinely connect. Through physicality, emotional vulnerability, and human interaction, *Echoes Of You* examines the tension between what we choose to reveal and what we try to hide.
