

Accessibility at The Canal Café Theatre

Unfortunately, the theatre has no step-free access.

The theatre is up a flight of stairs with 21 steps, with a handrail. There is a short turn to the right at the top the stairs.

For anyone who has mobility issues, we are very happy to allow people into the space slightly before the rest of the auditorium so they can make their way into the theatre safely and without feeling rushed – we request that audience members contact us in advance so we can make our staff aware.

The only bar and bathrooms in the building are downstairs in the pub. There are separate male and female bathrooms and a disabled toilet, which can only be accessed upon request from the bar staff.
