Rabbit in a Hat Productions

Rabbit in a Hat Productions began in Montreal in 2001 with a mandate to produce new Canadian Independent Theatre. After a dozen hit productions and a plethora of awards the collective came to Toronto in the autumn of 2015 to mount *Paradise Lost* at the Theatre Passe Muraille Backspace, *Blood Wild* at the 2016 Next Stage Theatre Festival, and *The Harvester* at the 2016 Toronto Fringe Festival.
