About **MOMME DOMME**

You're invited to an exclusive preview of How To Be A Domme 101, hosted by performance artist and aspiring institutional darling Peggy Mitchell. Each night, four women arrive ready for a private mistressclass. From TikTok tarot readings to strap-on sashaying, Momme Domme weaves sonic intervention, ritual and voyeurism into an embodied surrender to the patriarchy.

Part workshop, part intervention, Momme Domme is a seductive and surreal performance interrogating complicity, artistic consumption and the commodification of the feminine body.

Done asking if we're dating the same guy? Ready to surrender to the patriarchy?
