

Show Synopsis: In Search of Cruise Control

In Search of Cruise follows long-time virgin turned sex-fiend, James Gangl as he struggles to give his awkward teenage nephew the sex talk he never asked for and will never forget. In this true story, Gangl recounts all the mistakes he should have made during four years of high school but instead made at the age of 28 during a four-month cruise contract doing sketch comedy for The Second City aboard the Norwegian Dawn.

Gangl digs into his religious upbringing, his early exposure to sex, and his own laughable sexual miseducation, to make a jarring case for a more honest discourse about intercourse.

In Search of Cruise Control premiered at *The Edmonton Fringe Theatre Festival* where it won *Best of the Fest* and went on to be an Official Select at *Unofest* in Victoria. *Cruise Control* is the follow up to James Gangl's Canadian Comedy Award Winning *Sex, Religion & Other Hang-ups*.
