

Synopsis

Rewrite history at Many Happy Returns, the smash hit, immersive time travel adventure, Winner of No Proscenium's Audience Award for Outstanding Immersive Work!

Time Travellers, your mission: infiltrate and manipulate a 1926 New Year's Eve speakeasy, retrieving ten historical artifacts - or stay trapped in a time loop forever. Dress to impress, secure a cocktail, make new friends, and team up for this thrilling escapade! Every choice reveals novel timelines; no two missions are alike - return to uncover more secrets! Begins with a 30-minute cocktail reception to meet co-operatives, then your 60-minute caper! 19+.

It's New Year's Eve: December 31, 1926, and capers and thrills are afoot! Many Happy Returns is a group-based interactive, immersive performance with artifacts to find, intriguing guests to meet, and mysteries to unravel.

Use teamwork to learn, plan, and manipulate the events of a swinging party to retrieve the 10 artifacts before your time travel abilities wear off! Will you succeed? Or will you find yourself in an endless loop in this race against the clock?!

- Will love blossom at the party?
- Could you be chosen as the New Year's Regent?!
- Maybe you'll be discovered as the newest talent!
- Will you choose good or evil, and where will that take you?
- Can you save the speakeasy?

Many Happy Returns is a cocktail-party style adventure. Guests will mingle and chat directly with the People from the Past to unravel their mysteries! No one will be singled out or put "on stage".

We welcome you to arrive up to 30-minutes early for our cocktail reception, where you can engage with the immersive environment, procure a drink, and meet your team-mates! Next, you'll be treated to a spectacular 60-minute performance. Finally, you're invited to keep the party going and keep the drinks keep flowing as you debrief your hilarious antics with our performers and your newly-made friends!
