Performed by Robin Black

For Immediate Release:

Toronto: Have you ever woken up in the middle of a cage fight? Have you ever overdosed on trucker speed? Hosted a reality TV show or Convinced yourself you can out drink a Sumo wrestler? Robin Black's done all these things. He's made a career out of it.

In *Enjoy the Hostilities* Black (UFC, TSN, MUCHMUSIC) walks us through his transition from glam rock singer, to mixed martial artist, to television personality. Co-written by Graham Isador (VICE, Soupepper Playwright's unit) the show uses storytelling, comedy, and punch drunk philosophy to offer audiences advice on how to make the most out of almost making it.

Praise for Robin Black:

"There are very few people in this world who can say they went from glam rock to expert MMA commentary, other than you Robin Black...your enthusiasm is so contagious...it's really fun." - Joe Rogan (Fear Factor, UFC, The Joe Rogan Podcast)
