## About **SHOWSTOPPER**

*“An egomaniac television showrunner makes their career-defining masterpiece.”*

Aster is a nonbinary Chinese-Canadian executive producer and starlet who is well aware that their name is losing clout in Vancouver’s Hollywood North. With their overall deal at Tigersgate Canada expiring in a month and no next gig lined up, they are dying a slow death. Enraged when an exec calls their passion project of thirty years a 'snoozefest', Aster creates one last show to get everyone's attention for good.
