

File Name: My Own Private Shakespeare Photo by Mona Zaidi featuring Justin Hay.jpg

Photographer: Mona Zaidi

Subject in photo: Justin Hay

Alt Text: Justin Hay is depicted in a split screen effect, as two characters speaking to one another. This reflects how he portrays multiple characters from Shakespeare within the play. He wears a grey long-sleeved shirt and black pants and shoes. There is a throne-like dark wooden chair behind him, sitting on a Persian-style rug.
