

## Clowns Reading Shakespeare: Show Synopsis

Laugh along with our Clowns as they work together to explore three of Shakespeare's greatest tragedies - *Hamlet*, *Romeo & Juliet*, and *Macbeth* (to the best of their ability)!

An eager troupe of clowns arrives at a theatre to audition for a diva Director's community theatre show! What show, you ask? One of William Shakespeare's greatest tragedies, of course! Which one, you ask?

Well...can these Clowns handle *Hamlet*, the famous drama about a grief-stricken son wrestling with indecision?

Or how about *Romeo & Juliet*, the beloved tale of star-crossed lovers whose romance burns so bright? Or maybe *Macbeth*, Shakespeare's play about witches, kings, and costly ambition?

Can this intrepid group come up with a play in time?  
The show must go on!

The Clowns explore each of these three famous plays, performing solo auditions (including musical acts and dance), Shakespeare scenes, and ultimately, a Rock, Paper, Scissors battle with the audience. Along the way, the Director guides the clowns to work together as a team, proving that collaboration leads to wonderful art!

*Clowns Reading Shakespeare* is a 55 minute TYA show filled with laughs & learning! Show includes performer improv and audience interaction, recommended ages 4+
