

TORONTO FRINGE --- FESTIVAL

Canada's best comedians... before America steals them.

Toronto's underground comedy scene takes centre stage this summer as *All-Star Stand-Up Comedy Show* arrives at the 2026 Toronto Fringe Festival inside a glasses boutique. Featuring a rotating lineup of Canada's fastest-rising comedians.

The show transforms East End's Ollie Quinn, a stunning glasses boutique into an intimate comedy club venue for this show only, spotlighting the depth of talent being built in Canada that too often goes overlooked beside the scale of the American entertainment industry.

All-Star Stand-Up Comedy Show brings together performers from across the Canadian comedy scene for a fast-paced showcase designed for audiences looking for a night that feels spontaneous, alive, and deeply connected to Toronto's arts community.

The show is presented by The Garden Comedy Show, an independently operated comedy platform known for creating unique live events in unconventional spaces across the city, with a focus on quality and atmosphere. The Garden Comedy Show has built a growing reputation for curating more than just stand-up shows, but live comedy experiences that feel intimate, memorable, and distinctly Toronto.

Comedians featured in *All-Star Stand-Up Comedy Show* have appeared on Netflix, Just For Laughs, CBC, SiriusXM, the Winnipeg Comedy Festival, and much more, with performers who have toured internationally and established themselves among the most exciting voices in Canadian stand-up today.

Whether you're a longtime comedy fan or simply looking for the perfect night out, *All-Star Stand-Up Comedy Show* delivers a high-energy showcase of Canadian stand-up at its most exciting and unpredictable.
