

# Spiritual Bob is Trapped in Paradise!

## Synopsis:

Sisters Jackson and Lewis are two Mormon missionaries serving faithfully in Arizona in 2003. During a playful planning session, we get to know the sisters, get a glimpse of their routine, and even learn some of their inside jokes.

Just as they're heading out to knock on doors, the tone shifts dramatically. Their apartment door is locked by an unknown magical power, and the world outside seems to have disappeared. Important religious visitors stop by with gifts, and Jackson and Lewis are forced to confront their own beliefs, reveal secrets, and make difficult decisions. Their friendship strives to endure as they joke and support each other through the whole surreal ordeal.
