

Not a Show You Watch. A Show You're In.

*Best of Fringe winner Janelle McGuinness brings **By Popular Demand** to Toronto Fringe — a cabaret-style comedy show with music, characters, and moments that only happen live.*

Comedian Janelle McGuinness has made audiences laugh across the country, on stage and on their phones. Now she's coming home to the Toronto Fringe to do what she does best in *By Popular Demand*, a brand-new solo comedy show that trades doomscrolling for 'you had to be there' moments.

From a F***boy TTC streetcar, to a mother completely unfazed by the ghost in her house, to musical crowdwork, Janelle's latest hour moves effortlessly from smart political commentary to big, outrageous characters! But this isn't a show you passively sit through. Integrating live interaction and crowdwork, every performance is different; blurring the fourth wall until the line between audience and performer disappears entirely!

As seen on Crave and with millions of views on TikTok and Instagram, Janelle brings her online charm into a live setting that puts the audience at the centre of it all. It's a high-energy, one-of-a-kind show you won't want to miss!
