

Bendy Sign Tavern Synopsis

Bendy Sign Tavern is a Puppet Romantic Comedy set inside a Queen West bar, where you can see a show, have some laughs and order a pint from a puppet! The story follows Joan (a bartender with dreams of becoming a famous musician) and Bob (her co-worker who's secretly in love with her) as they try to get Bendysign ready for the opportunity of a lifetime- hosting the after-party of renowned puppet celebrity: Tim Rek! To do so, they'll have to contend with rude customers, bar-fights, talking food, health inspectors, bachelorette wolves and a giant, six-legged bar fly. All in a day's work at Bendysign Tavern: The Sanest Place on Earth!
