Photo 1: 110% Wizard with Keith Brown - Close Up - Photo by Marc J Chalifoux

A close up photo of magician Keith Brown, standing on stage wearing a suit. Stage lights in the background are out of focus and cast blue and purple light on the performer.

Photo 2: 110% Wizard with Keith Brown - Audience with Signs - Photo by Kirk Moore.jpg

Magician Keith Brown stands on stage wearing a suit. He is on the far left of the image and his hands are raised above his head in triumph. Four audience members stand to Keith's right in a straight line. From left to right, there is a woman with red hair and a dark blue dress, a young girl in an aqua coloured dress with her hand stretched out in front of her, an older man wearing a white baseball cap and casual shirt, and another woman in a grey shirt and shorts. All the audience members are holding a yellow sign above their heads. Three of the signs say NO on them, one of them says YES on it. Everyone's focus is towards the little girl with her hand in front of her.

Photo 3: 110% Wizard with Keith Brown - Keith on Stage with Crowd - Photo by Kirk Moore.jpg

This photo is taken at the back of the theatre, down the raked seating. On stage we see magician Keith Brown standing in blue light that looks like rippling water. Both his arms are raised on either side of him. Behind Keith is a metal briefcase open on top of a stool. On the wall behind Keith and the stool is a projection of his title card, that's red and says the show title 110% Wizard. The lower half of the photo, we see audience members seated in the foreground watching Keith on stage.

Photo 4: 110% Wizard with Keith Brown - Card Spread - Photo by Marc J Chalifoux.JPG

This photo is in portrait mode. We see magician Keith Brown wearing a dark suit and grey tie with polka dots. He is bearded and wearing dark framed glasses. His hands are stretched in front of his face, arms bent at the elbow. He is spreading a deck of cards in between his two hands. We can see the faces of the cards, but one card is facing the wrong way. It is up jogged for half of it's length and we see it is a blue back bicycle card.
