

**AWARD-WINNING SKETCH TROUPE COMBINES MUSICAL THEATRE AND SKETCH COMEDY IN  
*POTATO POTATO SAVES THE WORLD(?)*  
AT THE TORONTO FRINGE FESTIVAL**

The end is nigh. Aliens have invaded Earth, and it's up to the world's last remaining sketch troupe, Potato Potato, to save the planet with their sketch comedy! Presented at the Kevin and Roger Garland Cabaret space at Souleppper Theatre, this show will use Potato Potato's signature political comedy and musical stylings to defeat Earth's biggest threat yet.

Winners of the 2026 Audience Choice Award at Toronto Sketchfest, the 2024 Sketch to the Death champions, and featured in The Second City JCB Series (2019) Potato Potato has taken Toronto's comedy scene by storm, using their training in devised and musical theatre to deliver groundbreaking comedy that is hard-hitting, raw, political and just the right amount of silly. With seasoned performers featured in the Second City, Netflix, Prime Video, as well as the 2025 Best of Fringe presented by T.O. Live and North(519) Best of Fringe presented by Theatre Orangeville, Potato Potato will have you laughing on the floor and running to the polls.

This show combines their award-winning sketch comedy with original music to create a show that is uniquely Potato Potato: a blend of musical theatre and sketch comedy. You won't want to miss this show- the fate of the universe might just rely on it.
