

Marysia Trembecka is a half-Polish, half-English actress, musician and cabaret powerhouse based in London, UK.

Since leaving her career as a government bond dealer in the City, she has created award-nominated, sell-out shows including The Singing Psychic Game Show—one of her self-proclaimed “bio-queen” psychic character—and the Arts Council-funded, fiercely feminist Queen Of The F*cking World*.

In 2026 she is writing a brand new show specifically for Canada ‘CELINE & CHER; DIVINE DIVAS’ after the sell out success last summer of her tour of Toronto, Winnipeg, Saskatoon and Edmonton with THE SINGING PSYCHIC GAME SHOW

She has spent the last 20 years being an international cabaret performer, musician and actress. A Cannes Film Festival regular for over a decade, Trembecka also works as a filmmaker (Songs of Brexit, Songs of Soho), podcaster and performer.
