

Sex T-Rex is a multi-award-winning comedy company with seven original scripted plays and hundreds of improv shows under their cretaceous belts. Since forming in 2008, they have become a mainstay of the Toronto comedy scene and regularly perform at such venues as The Second City, Comedy Bar, and Bad Dog Comedy Theatre, where they are a company in residence.

Following their run of *SwordPlay* at the 2018 Next Stage Theatre Festival, and fresh from trips to Paris (where their 48 Hour Film Festival offering *Object Relations* won an Audience Choice Award) and to Vancouver (to present at Pacific Contact as part of their 2017 BC Touring Council Award), Sex T-Rex is thrilled to continue their celebration of their 10th Anniversary Year with *D&D Live!* at the 2018 Toronto Fringe Festival.
