

Sex T-Rex presents D&D Live! at the 2018 Toronto Fringe Festival

Join a party of award-winning comedians in this improvised love letter to the world's most popular roleplaying game. Set in the Realm of T'Rannah, a fantasy Toronto featuring such familiar landmarks as "The Sky Dome" and "Fort Ork," our heroes will have to tackle dangers like the Tomb of Eton or a fire-spitting Drake! Audience members will be called upon to take up the twenty-sided Die of Power and roll to determine the resounding successes (or critical failures) of our intrepid adventurers.
