“A dance performance that makes me want to go out and get my boogie on always boasts the audience leaving with smiles plastered on their faces. The Mix-Mix Dance Collective certainly brought in a mixed crowd but gave universal satisfaction.”

“the vivacity, dedication, and love shown onstage in *Jack Your Body* calls to every generation. “

“Besides the intelligence of the show’s compilation, the dancers are outrageous. Their charisma and stage presence shine through, and each dancer’s presentation is something I always look for in dance performance.”

“Perhaps it is this truthfulness and joy that I saw onstage that pulled me into the show.”
