# MULTIPLE ORGANISM

at Toronto Fringe

July 7th - 16th

Mind of a Snail Puppet Co, creators of last year's Patron's Pick ***Curious Contagious*** and 2015 Patron's Pick ***Caws & Effect*** are back in Toronto with a world premiere of their new shadow theatre spectacle, ***MULTIPLE ORGANISM***. This year they have created a show that is only for adults. They are taking on the topics of gender and identity, with a surrealist twist. Audiences can expect some bizarre and hilarious nudity (including using the nude body as a projection surface) and Mind of a Snail's distinctive style of shadow theatre using overhead projectors.

***"pushing the boundaries - not only of what stories we tell, but also the ways in which we tell them"*** -Vue Weekly Edmonton

Mind of a Snail is a shadow puppetry duo based out of Vancouver, BC. Since 2003, Chloé Ziner and Jessica Gabriel have been developing a multilayered style of visual storytelling using overhead projectors as their main light source. Their show ***Against Gravity*** was part of Summerworks National Series in 2014. Their show ***Caws & Effect*** won Best of Fest/Patron's Pick in Toronto (2015), Winnipeg, London, Vancouver, Edmonton, Saskatoon & Orlando Fringe Festivals, their newer show ***Curious Contagious*** won in Toronto, London and Vancouver Fringe.
