

Synopsis

Allegra and Serena Shanazarian were poised to be the biggest twin child stars of the 1990s. That is, until Mary-Kate and Ashley Olsen swooped in and stole their spotlight. Now, decades later, they are back to prove their star power with the true stories behind their biggest childhood auditions, and renditions of their greatest pre-teen hits like “Grade 7 Crush”.

(oh... you’ve never heard it?)

Twinsations is a loving parody of 90’s pop culture, which challenges the standards of who controls the spotlight and who gets to be heard. This is the True Hollywood Story of your new favourite twin sensations and the lives slash careers slash fame slash fortune that could have been theirs...you think you know, but you have no idea.
