

## *Whose Side Are You On?* **Table 7 - A Plays in Cafes Creation**

***Gentrification or Rejuvenation? Passion or Harassment?*** That may depend which side of the table you're sitting on. Set in the ever-changing Regent Park neighbourhood, *Table 7* allows you to witness an explosive situation between unlikely neighbours. When each perspective tells a different story, how do you determine who is in the wrong? In this show it's the audience who must decide.

Shadowpath, a charitable arts organization, was founded in 2002 and prides itself on turning everyday spaces into creative places. *Table 7* takes advantage of its true to the story location, taking place in Regent Park at **Paintbox Bistro**, our 2019 venue partner.

Thanks to funding from the Ontario Trillium Foundation, Shadowpath has been able to develop *The Femme Five*, a three-year initiative that nurtures leadership in female theatre creatives. Shadowpath's 5th Toronto Fringe BYOV play is a *Femme5* creation, featuring an all-female production team and cast.

Written by Chantal Forde and directed by Mandy Roveda, this team is reunited after their successful 2017 production of *GREY* (NOW Outstanding New Play & Outstanding Ensemble, Critics' Pick Award for Outstanding Ensemble). Roveda is also known for her extraordinary direction of *BikeFace* which garnered the 2018 Fringe Patron's Pick and Best of Fringe.

The incredible cast includes Julia Beaulieu (nominated for a 2019 Dora for her ensemble work with Solar Stage), Tea Nguyen (part of the 2017 Fringe hit *NASTY*), and Fringe newcomers Violet Mount, Kaila Hunte, and Alexandrine M'Banga.

Judgements are passed quickly. Biases filter our world view. And sometimes we just don't like a person. How will you come to your decision of what really happened at *Table 7*?
