

Devin Sanclemente cannot wait to perform his original, absurdist one man show, Show Your Flames, in Toronto at The Toronto Fringe Festival of 2017! Devin has been developing this show and testing it in 10 minute portions over the course of two years. Recently Devin organized a large charity festival called "Shades Of Voice" which benefitted young artists on the Autism spectrum. Devin is a graduate of Green Shirt Studio's Meisner acting program, Annoyance Theater's improvisation program, iO's improvisation training center and the Comedysportz Chicago School of Professional Improvisation. Devin is also proud to have completed an exclusive improvisation workshop with Dave Pasquesi of the world renowned improvised act of TJ & Dave, and performing in an original movement and puppetry theatrical piece, Dane Eissler's "Forever Fetal". Devin is also completing the Second City Conservatory program and performing with his experimental improv duo, BIG FIRE! across the greater Chicago area.
