

A Peter n' Christmas Carol Synopsis

A Peter N' Chris-tmas Carol is a brand new show from fringe favourite Peter N' Chris. It is a send up of the classic Dicken's novel, *A Christmas Carol*, with a mixture of all your favourite christmas movies woven in. Peter and Chris are both having a very different time around the holidays. Chris, for some reason, is grumpy about the holidays ; the materialism of the holidays is getting him down. Peter on the other hand loves the holidays for that exact reason; the gift giving and the gift getting. Using the classic tale, we follow Chris as he finds his christmas spirit and Peter as he loses his. You'll see references to Home Alone, Die Hard, Frosty the Snowman and more in this hilarious new theatrical event from Peter N Chris. Give yourself a christmas gift early and see this show in the summer!
