

RAGE AGAINST The King

WRITTEN BY ANDREW MARKOWIAK
DIRECTED BY ANDREW MARKOWIAK & LAURA DARBY

For the past sixteen years Izzy P has been coasting along as the front man for one of the provinces hottest grunge bands. Now, Izzy wants more. Eden has always been Izzy's biggest fan, but as his new manager, she's been tasked with bringing his lofty ambitions back down to earth.

An exploration of ambition, legacy, and success, Rage Against the King shines a light on the one percent, patriarchal society, and the fact that nothing lasts forever.
