

Young and the Limbless is a comedy about Jenna who is a multiple amputee and tired of her role as a "token" hire at a local magazine. She lives with her friend from college Robbie, who is also a writer as well as an expert on dating apps. Jenna's childhood friend Luke is the recent victim of a nasty break-up and has decided to make his new home on their couch. As the three of them move on with their lives they discuss stereotyping, labeling, dating, Rory Gilmore's love interests and Jeffrey Dean Morgan.
