Please find a statement from the venue regarding accessibility:

“At Mitchells and Butlers we take the needs and the equal treatment of all our guests extremely seriously. We have invested heavily in this area in recent years and are committed to ensuring our facilities and services are accessible to all, across all of our estate.

However, in some circumstances, often in smaller sites or perhaps in listed buildings, alterations are not possible. Therefore, alternative arrangements are put in place to assist disabled guests. For example, where a ramp can't be installed in an entry due to difficulties with planning permission, small temporary ramps may be provided. To be certain that the site you are visiting is practical for disabled access, we would always suggest that a guest contact the pub beforehand.”
