

## **BFFs Company Bio**

Bad Dress Productions has previously put on two Patron's Pick award-winning original musicals at the Toronto Fringe Festival. First in 2012 for "21 Days", then "#WeddingMusical" in 2014. We also created the song cycle "Better Than Dying Alone" at the Kingston Storefront Fringe Festival in 2017 where we were awarded with the Pick of the Fringe Award.

David Poon went to McGill University and fell in with the wrong crowd after agreeing to be the puppeteer in "Little Shop of Horrors". One thing led to another and suddenly he was producing musicals on request and taking improv classes at Second City. He helped create a storyline and wrote the words between some brilliantly written songs a few years back with "Better Than Dying Alone". He lives in New York City with his husband and corgi, and he works in advertising technology.
