A SHOW ABOUT MERCURY RETROGRADE RIGHT AS MERCURY
GOES RETROGRADE: A HILARIOUS, NEW COMEDY,
THE ASTROLOGY PLAY

ASTRO THEATRE CO. (ATC) with the help of the **Toronto Fringe** is proud to present **THE ASTROLOGY PLAY**, a show about what really happens when the planet of organization and communication is flipped on its head. Toronto's only astrology-based theatre company, **ATC** is here and is ready to welcome audiences into the world of astrology through comedy and silliness with this hilarious new work.

Whether or not you believe in astrology, this very funny, tongue-in-cheek production/astrology meme is going to be lots of fun!

As recent theatre school grads, who are passionate about the stars, we asked ourselves: what would happen if we merged our two passions: astrology and theatre, and made a big mess? This question is how we came to found **ATC** in 2018. We have since devised numerous theatrical pieces that explore astrological themes and why they are important to the creation and presentation of theatre.

Directed by dramaturgy and journalism grad **Dylan Coutts**, **THE ASTROLOGY PLAY** boasts a cast and crew made up of accomplished Sheridan College, Queen's University, and Dalhousie University theatre grads, and was devised by the company for the duration of our final year at school.

It is clear that the stars will align, ensuring that **THE ASTROLOGY PLAY** will be a poignant yet incredibly silly time at the theatre!
