Six Chick Flicks brings parody to Toronto Fringe!

FOR IMMEDIATE RELEASE | Toronto, ON - June 13, 2022

After successful runs in New York, Winnipeg, and Orlando, *Six Chick Flicks or a Legally Blonde Pretty Woman Dirty Danced on the Beaches while writing a Notebook on the Titanic* is coming to Toronto July 7 through July 17 at the Toronto Fringe Festival.

Written by Kerry Ipema and Fringe Veteran TJ Dawe, who teamed up following a successful off-Broadway run, Edinburgh Fringe, UK tour, and major US tour of their parody show, *One Woman Sex and the City*.

Six Chick Flicks features parodies of popular chick flicks, *Titanic*, *Pretty Woman*, *Beaches*, *Legally Blonde*, *The Notebook*, and *Dirty Dancing*, reliving all the iconic moments of the beloved films including montages, dance breaks, and every moment in between. Performed by KK Apple and Kerry Ipema, *Winnipeg Free Press* promises “A smile will not leave your face the entire time.”

Ipema is the co-host of the podcast, *Crime of a Lifetime*, with Lifetime Network; co-host and producer of *Truly Darkly Creepily*; creator of Lady Bits, a semiannual fundraiser for Planned Parenthood in NYC; creator of the solo show *Sex Ed*; and performs *One Woman Sex and the City* in cities across the US.

Apple is a writer, comedian, and filmmaker in New York City. She is a former Upright Citizen's Brigade Theatre improviser, where she met Ipema, who cut her (big) teeth performing in the NYC comedy scene, including a run of her solo sketch show *The Rhythm Is Going to Get You*. Her work has been featured on Vulture and Funny or Die, and at comedy festivals across the country. She also moonlights as a dancer and her choreography has been commissioned for live shows, music videos, and television.

Dawe has been performing at Fringes for more than 25 years, with such shows as *The Slipknot*, *A Canadian Bartender at Butlin's*, *Medicine* and *Operatic Panic Attack*. Dawe has been writing satirical articles for McSweeney's, The Beaverton, and other websites, as well as contributing to the weekly web series by the Onion's founding editor, Scott Dikkers.
