*Six Chick Flicks or a Legally Blonde Pretty Woman Dirty Danced on the Beaches while writing a Notebook on the Titanic* features parodies of popular chick flicks: *Titanic*, *Pretty Woman*, *Beaches*, *Legally Blonde*, *The Notebook*, and *Dirty Dancing*. This parody relives all the iconic moments of the beloved films including montages, dance breaks, and every moment in between. *Six Chick Flicks* lovingly pokes fun at the films while also revisiting why we love them in the first place. Over 30 characters are played by two performers, KK Apple and Kerry Ipema, in this hilarious parody show.
