

When his fellow Boothsman mysteriously vanishes, revered sports broadcaster Paul Michaels is the prime suspect. In this madcap balloon-based musical, Second City veterans and celebrated commercial actors Hyland & Thompson ask: how much hot air can one show blow?

This show exists in the same world as their 2010 Fringe hit, *Dale Beaner and the Turtle Boy*.

The musical features a variety of musical genres, and a large cast of characters, all played by Devon Hyland and Connor Thompson.
