

CLIP SHOW - PRESS FOR JON BLAIR'S PAST WORKS

"Over the past decade few people have emerged out of the Toronto sketch comedy scene with a style as genuine and cultivated as Jon Blair. *Now More Than Ever* is a rare part of the new normal you want to see more of."

- **Parton & Pearl on Jon Blair's Sketch Webseries "Now More Than Ever"**

"Sending up genre conventions as brilliantly and as originally as SCTV did decades before him, Blair has mastered the solo sketch format... I can't wait to see what he does when the pandemic's over."

- **Now Magazine on "Now More than Ever: 2021"**

"My God, Toronto's Jon Blair blew everyone's minds. On a bill full of stand-ups, he performed a series of genius one-man sketches that left the room reeling... Just devastatingly funny and smart, Jon Blair is an ingenious revelation."

- **Exclaim on Jon Blair at Halifax Pop Explosion**

"Solo sketch feels like it maybe shouldn't work, but Jon Blair's whole thing is making things that shouldn't work work, so of course this show works. High-concept, thoughtfully constructed comedy that neither plays it safe nor relies too much on shock... Jon Blair's set at Sketchfest was the best thing I saw with miles to spare before second place."

- **My Entertainment World in Jon Blair at Toronto Sketchfest**

"Immediately I'm impressed that what he's doing on stage is even possible. Blair continues to find the funny, the weird, and the absurd, but also gives us a touch of empathy for these bizarre characters and their shenanigans."

- **The Way I See It on "Live From The Garbage" at the Halifax Fringe**

"Taking the familiar and turning it on its head is the mine from where Blair extracts his humour...The fast-paced joke density is perfect for those looking for crowd-pleasing sketch comedy by a seasoned comedy professional."

- **The Coast on "I'm Only One Man" at the Halifax Fringe**
