Sultanna Krispil, Reanne Spitzer

The image is of two people in a funny position. One is standing awkwardly in a squat as the other pops out between her legs. The squatting one has an intense, almost screaming-like expression. There is allusion that she is giving birth to the one popping out under her legs. The setting behind them is a black curtain.

Sultanna Krispil, Reanne Spitzer

The image is of two people close up. One dotes over the other with their hands under their chin in a photographic pose. The other is making a belligerent, angry expression. The setting behind them is a black curtain.
