-Three Weeks

-Show Score

Fresh off a 2017 Edinburgh Fringe SELL OUT & a run at The Off Broadway Encore Series at SOHO Playhouse, Fringe Hit *Shit I'm in Love With You Again* is coming to Toronto Fringe Festival. **SIILWYA** was nominated for a Just For Laughs "Best Comedy Award" and was one of Mervyn Stutter's Pick of Edinburgh Fringe. The show is written by Fringe Veteran Rachelle Elie, Lyrics by Elie & U.K. musician **Luke Jackson** who also performs musical accompaniment throughout the show.

From deliriously happy to furiously confused, *Shit I'm in Love With You Again* expresses the thoughts we've all had in our relationships but are afraid to express. Rachelle plays the characters of her life - her parents, her therapist, her lovers and various snotty children (to name just a few.) Glitzy set and costume changes complete the story, transforming love from a mundane affair to a fairytale spectacle that everyone can relate to! Original cheeky songs include: **Monogamy**, **F\*ck First** and **I Want to Spank My Kids This Xmas**.

Rachelle Elie has toured four original one-woman shows across Canada and has been doing comedy in Toronto since the early 90's. She is nominated for a **Canadian Comedy Award** in the category of "BEST BREAKOUT ARTIST" this year and her CD *Shit I'm Love With You Again* is on **SIRIUS XM Canada Laughs**. Elie has performed stand up at the *Women In Comedy Festival* in Boston, hosted both **CrackUp Festival** galas in 2018, recently opened for Mike McDonald and is producer of Toronto's longest running **Rag Bag Cabaret**.
