Clowns Reading Shakespeare

A troupe of eager Clowns has arrived at the theatre to audition for a Shakespeare play. What play, you ask? One of William Shakespeare's greatest tragedies, of course! Which one, you ask? Well...

Can these Clowns handle Hamlet, the famous drama about a grief-stricken son? Or how about Romeo & Juliet, the beloved tale of star-crossed romance?

Or maybe Macbeth, Shakespeare's spooky play about witches and kings?

Can this intrepid group choose a play in time?

The show must go on!

This performance runs 55 minutes with no intermission.
