

Give in to your inner dramatic teen with *Every Young Adult Novel Ever: The Musical*

Did you grow up loving Young Adult Fantasy novels (and do you maybe *still* love young adult fantasy novels)? Are you a ride or die Team Edward or Team Jacob fan? Then this may be the show for you! *Every Young Adult Novel Ever: The Musical* uses all the beloved clichés of the genre to bring a completely new, yet completely formulaic Young Adult story to the stage (or computer screen).

This new play was developed in July of 2020, while it's creators, Christian Hodge and Monet Comeau, were quarantined in Cambridge Narrows, New Brunswick. Nothing like being locked in a room together for two weeks to get the creative juices flowing! *Every Young Adult Novel Ever: The Musical* was their first writing venture together, which delighted audiences in the 2020 Fundy Fringe Festival. This play also marked the beginning of the production company, Isolation Creation, which produces the writing duo's stage productions and short films.

Monet Comeau and Christian Hodge are both graduates from the Randolph College for the Performing arts, and have both attended the Guildford School of Acting in England where they completed their Masters of Fine Arts.

If you are in need of a good laugh following all the crazy things the past year and a half have had to offer, this is a show that is not to be missed!
