

In Transit - Press Release

“Success, success is to be measured not by the position one has achieve in life but by the obstacles one has overcome while striving to succeed”

- Booker T Washington

Developed over years of research by choreographer/producer Alayna Kellett. In Transit was first conceptualized as a work for the Ryerson New Voices Festival in 2007 and explored further last summer, presenting the show’s prologue entitled ‘No Place’ at the 2020 Toronto Fringe Collective. Now making its feature length premier at the 2021 Toronto Fringe Festival, In Transit explores the space between point A & point B - the places we all usually avoid. Highlighting the forks in the road and the choices that shape who we are as individuals, ‘In Transit’ shines on the journey rather than the destination.

The cast & crew includes Alayna Kellet, Sebastian Hirtenstein, Kristen Pepper, Roberto Sapienza, Laura Piccinin, Emma Trotter, Sydney Keir and Adam Martino. Past cast credits include - Tokyo Disney, Carnival Entertainment, Starvox, TDT, Fallsview Casino, Toronto Fringe, Next Stage Theatre Festival, Canadian Opera Company and more.

Join the cast of In Transit on their journey through this exciting contemporary dance exploration of life’s transitions. Get your tickets today for the 2021 Toronto Fringe Festival On Demand.
