Friday, October 26th - Ottawa, Canada born theatre company, Toasted Theatre Co. (TTC), is proud to announce the performance of *Lauren & Amanda Do It* at the 2019 Next Stage Theatre Festival, January 9th-20th.

After performing *Lauren & Amanda Do It* at the Ottawa, Orlando and Winnipeg Fringe Festivals, TTC is excited to finally bring it to Canada's big city.

Raunchy, vulnerable and hilarious, *Lauren & Amanda Do It* bring folks of all backgrounds together to dismiss that sex is a taboo subject. Using their NSFW "Wheel of F*cking," a new sex subject is determined each show to decide the theme of the night. From masturbation to body image to fetishes & fantasies, you never know what you are going to get.

Each show is unique as they spin their wheel, and interview a different person every night about their sex life. Special guests will made up of rad Torontonians and fellow Next Stage artists.

In the past, the late-night style talk show has been awarded the Jury's Choice Award (2017 Ottawa Fringe Festival), was named Apt613's Top 5 Best New Shows (2017 Ottawa Fringe Festival) and received a Jenny Revue nomination (2017 Winnipeg Fringe Festival). In March 2018, TTC was named Ottawa's Best Theatre Company at the annual Ottawa Theatre Challenge.

Lauren & Amanda Do It is made up of an all female cast and crew; Lauren Cauchy (creator/performer), Amanda Logan (creator/performer/producer), Alli Harris (creator/musical accompanist), Madeleine Hall (director) and Michaela Steve (stage manager).
