Rumspringa Break! - A hilarious new musical from Matt Murray (Ross Petty's A Christmas Carol, Myth of The Ostrich), Colleen Dauncey & Akiva Romer-Segal (Prom Queen, Bremen Rock City)!

Before they must commit to the Amish faith forever, twins Hannah and Ruth leave the comfort of their sheltered community to explore the outside world for the first time. After finding themselves stranded in Buffalo's roughest neighbourhood, the twins end up unknowingly working at an illegal marijuana grow-op.

This outrageous show follows Hannah and Ruth as they discover that the modern world is way more F'd up than they ever could have imagined. After being developed at Sheridan as part of the Canadian Music Theatre Project (*Come From Away, Theory Of Relativity, Prom Queen*), *Rumspringa Break!* is stepping out from behind the workshop music stands for it's first fully staged production!

Directed by **Steven Gallagher** (*Myth Of The Ostrich, Birthday Balloon - also at the 2018 Next Stage Festival*) and music directed by **Wayne Gwillim** (*Kinky Boots, Les Misérables*) *Rumspringa Break!* features a stellar cast: **Georgia Bennett, Joel Cumber, Kirkland Doiron, Arinea Hermans, Jayne Lewis, Clea McCaffrey, Jamillah Ross, Jessica Sherman, Kristian Truelson, and Mitch Wood**

Marigon Productions in association with **The Toronto Fringe/Next Stage Theatre Festival** presents:
