

Sex T-Rex in association with the **Next Stage Theatre Festival** presents

SwordPlay: A Play of Swords

Toronto's most acclaimed physical comedy troupe kicks off its **10th Anniversary** with an Extended Cut of their multi award-winning comedy!

Since meeting at theatre school and forming in 2008, Sex T-Rex has wowed audiences across Canada and garnered countless awards and accolades. The team is thrilled to kick off their 10th Anniversary celebrations at the prestigious Next Stage Theatre Festival with *SwordPlay: A Play of Swords*, running **January 4-14, 2018 on the Factory Theatre main stage!**

SwordPlay: A Play of Swords is a love letter to classic Swashbucklers and retro fantasy video games that highlights Sex T-Rex's trademark cinematic style while offering a sophisticated parody on more modern offerings like *Game of Thrones*. From chandelier-swinging to dragon riding, the relentless ingenuity and playfulness of *Swordplay* invites audience members to take a break from their screens and be swept away by their imagination.

Sex T-Rex core members Conor Bradbury, Julian Frid, Kaitlin Morrow and Seann Murray are joined by **Jon Blair** (*This Hour Has 22 Minutes*, *CBC Comedy*, *The Beaverton*) to present the definitive version of this fan-favourite show.
